A NEW WORLD, NEW ENEMY, NEW GAME MODE

The Lands Between has been destroyed and has been overtaken by vile monsters. A power from the past has appeared, perhaps calling for you to rise and become a warrior who should be feared by everybody.

Dream Chaser, a powerful demon faction, has suddenly appeared. Its goal is to conquer the Lands Between and destroy it. The fate of the world is at stake and the selection period for the heroes will be in progress.

In this situation, various new features, like a campaign world and the Adventure Journal, will be introduced. Moving forward, new features will be introduced to facilitate seamless transitions as you progress through the story.

RPG CLASSES

A variety of playable characters, each with his or her own abilities and occupation.

Race: Races include humans, humans with high attributes, elves, elves with high attributes, magians, angels, demons, and elves with high attributes. You can freely choose a race, but within each race, humans with high attributes command the highest position and mages the lowest. They can also freely choose their jobs on their own.

Character Class: Characters choose the classes of warrior, priest, mage, and rogue in order to specialize in a particular combat or magic. You cannot choose all four classes in a single character, but you can freely distribute the classes among your party.

by Community Manager and a Mythology of Contrasts. Once before, there was a clash between good and evil in the Lands Between, the Sacred Lands. This time, because of the inexorable balance of truth and justice that was heretofore unknown, the balance had tipped over. by RetroRob the ancients used to be on the good side, and the Cult of Ephemera was formed. The people of the Sacred Lands were later misled by the Counsel of the Liberation. With the result that the Sacred Lands have been turned into a death-trap. Tarnished, they were captured and... by OtakuStarSoul about gear: You can change your gear by having a "Gear Cabinet" (Appraisal), which randomly changes your gear or upgrades your gear. Your gear changes are complete at the end of each quest. You can also change your gear if you have the magic and item needed for it. EXP System: You gain EXP from quests, chests, and monsters. When you gain EXP, your level will increase. As your level increases, your damage will increase, and your defense will decrease. Once your level reaches a certain point, you will reach "maximum EXP" level. This is when you will gain 1,000 EXP per minute. Stealth: You can lower the chances of being detected by using your stealth skill, which can be learned from skill trees. You can set your own resolutions for the game, settings for the UI (Icons, dialogue, Party), and change your backgrounds. You can also show any dialogue and setting you want, or hide them. You can change your party with the New Party Screen. You can add more party members to your party. You can also move party members around

your screen. Online Play: To connect with another person, you need to prepare the "Online Room". If you want to play with someone from a different region, you can do so easily.
