If you wish to purchase an advertisement that is currently on display on this site, please email a REBGV sales representative at info@re.vancouver.ca. The best value home I have ever bought! The 100% financing capability was really convenient. I'm so lucky to have found this house! What is Rent to Own? Rent to Own Homes Is a JAM-PACKED system that literally gives homeowners the equivalent of owning their home but you don't have to make the monthly payments! This simply wouldn't be possible without what is called the 100% financing. Rent to Own homes are typically for cash buyers. However, in the cases of foreclosure and short sale properties we also have the chance to get financing options! The Difference Between Rent to Own Homes and Short Sales? If you are looking to buy a home and cash is not an option then you are probably thinking about a short sale. This is because a short sale is a home that is currently in default on the mortgage. It is our belief that the default occurred because the homeowners failed to make a payment and the bank had not foreclosed on the home. These types of properties are very interesting because you get the home for a fraction of the value and you still make money after a short time. However, if you have chosen to rent to own a home then you are getting a home that is rented and the mortgage payment is taken care of. The rent to own home will continue to be rented to you at an affordable monthly rate until you decide to buy the home from the seller. This is such a great savings and you can purchase a home that has so much more value than the monthly payments. Rent
