From the makers of Godzilla and Logan, the latest film from the fast-rising franchise is X-Force. Where No Man Has Gone Before is a science fiction film with a plot about the time machine. Has been in development hell for nearly 20 years, was set to be directed by one of the original Star Trek writers. To make this film, the studio went back to the s and hired Joss Whedon to write and direct the film. The film stars Chris Pine as a time traveller. While the thing about time travel is that the things that happen in the past, if they were to occur in the future, the timeline would no longer exist. Instead, the future version of the timeline could exist without the events of the past. The film also features Alice Eve, Sean Harris, John Cho, Judy Greer. Watch movies online for free in high.
